

Online Demo Connection Instructions

Please print these instructions and have them with you on the day of session.

Computer Instructions

Before the session

Before you can take part in the session, you must download the Bridgit™ software client to the computer you'll be using on the day of the session. The client is available at <http://services.smarttech.com/>.

PC

1. Click on the link. In the **File Download** dialog box, click **Save**
2. In the **Save As** dialog box, click on the **Save in:** list and select **Desktop**
3. Click **Save**. If a **Download Complete** dialog box appears, click **Close**. The Bridgit client is downloaded to your desktop and ready to use.

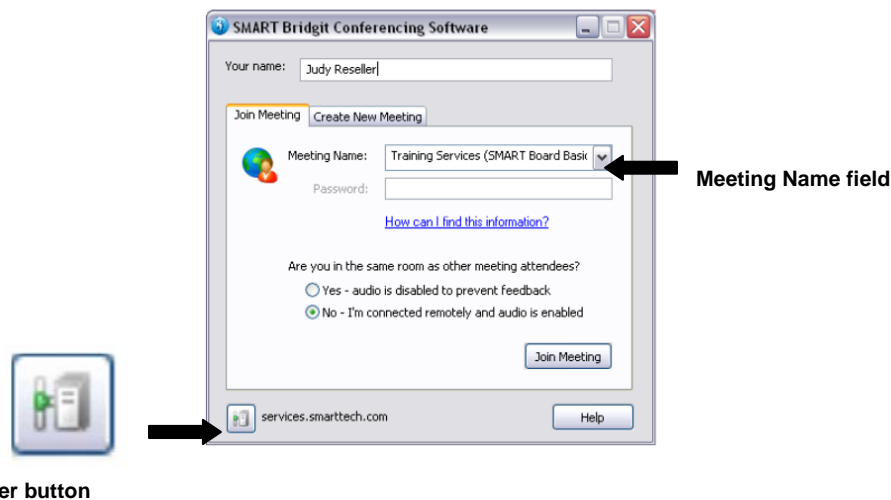

Macintosh® computer

1. Click on the link
2. You will be asked if you want to download the application. Select **Yes**. The Bridgit client is downloaded to your desktop and ready to use

A few minutes before the session start time

1. Double-click the **Bridgit** icon on the desktop to connect to the conference server.
2. Check the server name by looking at the bottom left of the box. The server name should be **services.smarttech.com**. If it is not, click on the server button and choose **services.smarttech.com** from the dropdown list, or type it in the space provided.
3. Click on the arrow in the **Meeting Name** field to choose a conference.

3. Select **SMART Sync Demo** and click **Join Meeting**. The password is **Demo**.
4. If you are running Bridgit software for the first time, you may be prompted to run the Audio Setup Wizard. There is no need to run it, as audio for this conference is via telephone.
