NOTES

- The duration of the Warranty (the "Warranty Period"), commencing on the date of new purchase, is five years upon registration of the serial number of the Equipment. If the Equipment is not registered by the Purchaser within two years of the date of new purchase, the Warranty Period shall be two years.
- Projector lamps (used under normal projector operating conditions, not in excess of 8 hours per day and 260 days per year) are covered by warranty for 3000 hours or three years, whichever comes first.
- Projector lamps (used under normal projector operating conditions, not in excess of 8 hours per day and 260 days per year) are covered by warranty for 1000 hours or one year, whichever comes first.
- Originally fitted projector lamps (used under normal projector operating conditions, not in excess of 8 hours per day and 260 days per year) are covered by warranty for two years.
- Fully discharged SMART Slate wireless slate lithium ion (Li-ion) batteries are not covered by warranty.
- The limited warranty for lithium ion microphone batteries is one year.
- The limited warranty terms may differ by region.
